

MASCO

Masco Canada Limited,
Plumbing Group
395 Matheson Blvd. East
Mississauga, Ontario
L4Z 2H2

Dear Valued Delta Customer:

We are pleased to present to you our 2006 version of the Delta/Delta Commercial Product Specifications Binder.

You will notice the following improvements to this year's binder:

- Delta Commercial CER-TECK™ and TUF-TECK™ specs have been combined to one page
- Delta Commercial TECK® and HDF® series have been combined behind one tab
- All Delta spec pages have been condensed to a single page format
- Canadian only product pages are now included which in the past have not been

We have also provided a new binder that differentiates this from the previous binder, and makes it easy to spot on a book shelf. This durable binder is designed to be used for several years, with the intent of only providing updated pages to you in the future.

With that in mind, our Delta Commercial Specialist will take a moment with you to fill out the registration form. This is **VERY IMPORTANT**, as all future updates will be direct mailed to you! We want you to have the very latest information on all our products! If the form in the front of this binder has not been filled out and faxed back to us, please take a moment to do so – it is very much appreciated.

We also ask that you ensure all previous versions of the Commercial Spec Book are removed from the book shelves and destroyed. We certainly do not want you to have any old information that could accidentally be used.

We sincerely hope that this specification binder meets all your needs, and if you have any questions or comments, or would like some additional information on any Delta product, or any of the other brands of Masco Canada, please contact your local Delta representative.

Thanks for your cooperation,

Steve Dunn
Trade Channel Marketing Manager,
Masco Canada

Delta reserves the right (1) to make changes in specifications and materials, and (2) to change or discontinue models, both without notice or obligation. Dimensions are for reference only. See current full-line price book or www.specselect.com for finish options and product availability.

WITH THE POWER OF DELTA behind you, you'll take advantage of countless benefits. We're a leader in the industry, so you can rely on innovative engineering, strict standards, superior customer service, and trained sales specialists committed to you. With an extensive distribution network, a well-known parts program, and consistent and reliable delivery nationwide, you can count on us as your single-source supplier for all your faucet needs.

DELTA® LIFETIME FAUCET AND FINISH LIMITED WARRANTY

All parts and finishes of the Delta® faucet are warranted to the original consumer purchaser to be free from defects in material & workmanship for as long as the original consumer purchaser owns their home. Delta Faucet Company recommends using a professional plumber for all installation & repair.

Delta will replace, **FREE OF CHARGE**, during the warranty period, any part or finish that proves defective in material and/or workmanship under normal installation, use & service. Replacement parts may be obtained by calling 1-800-345-DELTA (in the U.S. and Canada) or by writing to:

In the United States:
Delta Faucet Company
Product Service
55 E. 111th Street
Indianapolis, IN 46280

In Canada:
Delta Faucet Canada
Technical Service Centre
420 Burbrook Place
London, ON N6A 4L6

This warranty is extensive in that it covers replacement of all defective parts and even finish, but these are the only two things that are covered. **LABOR CHARGES AND/OR DAMAGE INCURRED IN INSTALLATION, REPAIR, OR REPLACEMENT AS WELL AS ANY OTHER KIND OF LOSS OR DAMAGES ARE EXCLUDED.** Proof of purchase (original sales receipt) from the original consumer purchaser must be made available to Delta for all warranty claims. **THIS IS THE EXCLUSIVE WARRANTY BY DELTA FAUCET COMPANY, WHICH DOES NOT MAKE ANY OTHER WARRANTY OF ANY KIND, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY.**

This warranty excludes all industrial, commercial & business usage, whose purchasers are hereby extended a five year limited warranty from the date of purchase, with all other terms of this warranty applying except the duration of the warranty. This warranty is applicable to Delta® faucets manufactured after January 1, 1995.

Some states/provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any damage to this faucet as a result of misuse, abuse, or neglect, or any use of other than genuine Delta® replacement parts **WILL VOID THE WARRANTY.**

This warranty gives you specific legal rights, and you may also have other rights which vary from state/province to state/province. It applies only for Delta® faucets installed in the United States of America, Canada, and Mexico.

DELTA® COMMERCIAL FAUCET LIMITED WARRANTY

DELTA® HDF® AND TECK® LIMITED WARRANTY

All parts of the Delta® HDF® and Teck® faucets are warranted to the original consumer purchaser to be free from defects in material, finish and workmanship for a period of five (5) years unless otherwise specifically stated in the catalogue and price book. This warranty is made to the original consumer purchaser and shall be effective from date of purchase as shown on purchaser's receipt.

Delta will, at its option, repair or replace, **FREE OF CHARGE**, during the warranty period, any part which proves defective in material or workmanship under normal installation, use and water and service conditions. If Delta Faucet concludes that the returned part was manufactured by Delta Faucet and is, in fact, defective, then Delta Faucet will honour the warranty stated herein. Replacement parts can be obtained from your local dealer or distributor listed in the telephone directory or by returning the part along with the purchaser's receipt to our factory, **TRANSPORTATION CHARGES PREPAID**, at the address listed. **THIS WARRANTY IS THE ONLY EXPRESS WARRANTY MADE BY DELTA. ANY CLAIMS MADE UNDER THIS WARRANTY MUST BE MADE DURING THE FIVE YEAR PERIOD REFERRED TO ABOVE. ANY**

IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. LABOUR CHARGES AND/OR DAMAGE INCURRED IN INSTALLATION, REPAIR OR REPLACEMENT AS WELL AS INCIDENTAL AND CONSEQUENTIAL, SPECIAL, INDIRECT OR PUNITIVE DAMAGES CONNECTED THEREWITH ARE EXCLUDED AND WILL NOT BE PAID BY DELTA FAUCET.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

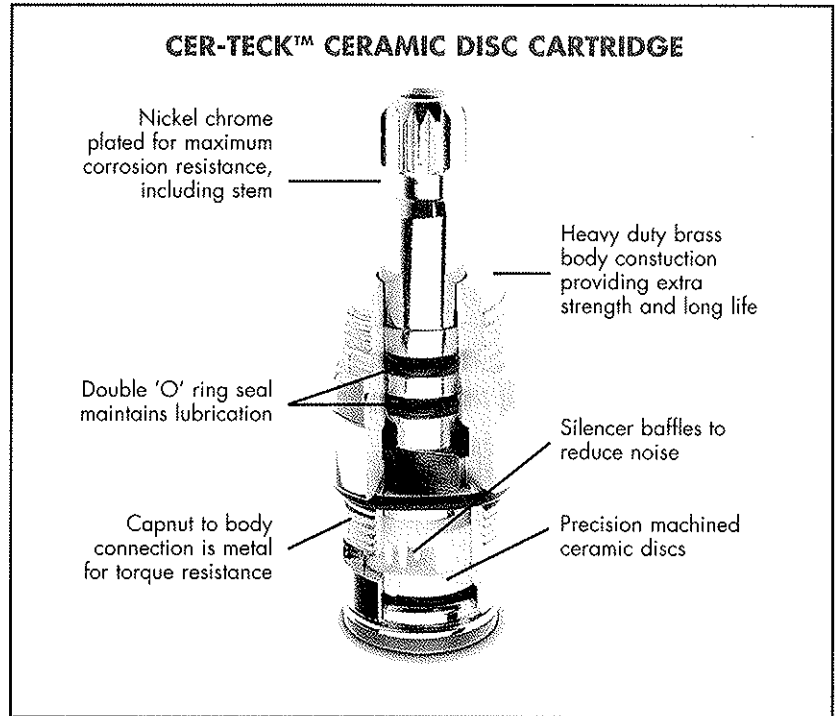

This warranty is for commercial products only from Delta Faucet Company and Delta Faucet Canada and is void for any damage to this faucet due to misuse, abuse, neglect, accident, improper installation, any use in violation of instructions furnished by Delta Faucet or any use of replacement parts other than genuine Delta parts.

CER-TECK™ CERAMIC DISC CARTRIDGE

- Delivers superior strength under tough commercial conditions.
- Combines the smooth operating action desired in a quarter turn ceramic seat cartridge with the robustness of a tough all metal chrome plated design.
- Allows for a consistent 90 degree handle alignment time after time.
- Easily accommodates the stress of long blade handles.
- Provides ease of use preferred by users combined with low maintenance preferred by owners.

TUF-TECK™ COMPRESSION CARTRIDGE

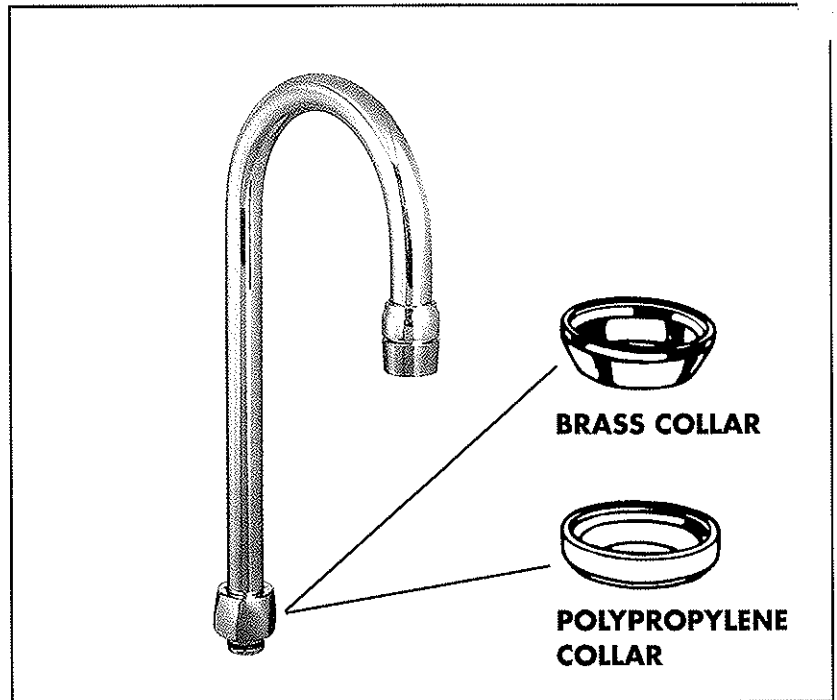

TUF-TECK™ COMPRESSION CARTRIDGE

- Time proven compression cartridge design.
- Delivers superior strength under tough commercial conditions.
- Combines smooth operating action with the robustness of a tough all metal chrome plated design.
- Easily accommodates the stress of long blade handles.

TECK® RIGID/SWIVEL GOOSENECK SPOUT

- Unique design permits field installation as a Swivel gooseneck spout or a Rigid gooseneck spout.
- All spouts are supplied with both a Brass (rigid) collar and a Polypropylene (swivel) collar.
- **Heavy Duty** gooseneck spout is made from 3/8" IPS Brass Pipe (0.090") wall thickness for Vandal Resistance.

RIGID INSTALLATION

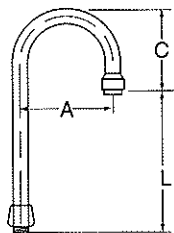

BRASS COLLAR locks spout in position, yet yields under hard abuse before damage can be done to the spout joint.
(Supplied unassembled with spout.)

SWIVEL INSTALLATION

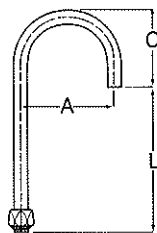

POLYPROPYLENE COLLAR is self-lubricating: swivels easily without binding and with no slack movement.
(Supplied assembled with spout.)

TECK® LIMITED SWING GOOSENECK SPOUT

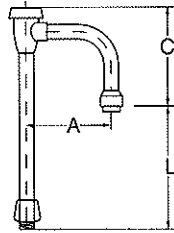

Available in three gooseneck variations and multiple sizes.

GROUP NO. 1
Regular Gooseneck

GROUP NO. 2
Smooth End Flow Control in
Base of Gooseneck Spout

GROUP NO. 3
Angle VB Gooseneck

Limited Swing Gooseneck Spouts are available on multiple product series including:
23C, 23T, 24T, 25C, 26C3, 26T3, 27C1, 27C2, 27T1, 27T2, 27C4, 27C5, 27T4, 27T5.

- Limits movement of gooseneck spout **120° total rotation.**
- Limited Swing rotation **end stop field adjustable** by customer in 15° increments. Total rotation always remains at 120°.
- Provides **increased vandal resistance** by preventing any water damage that could occur if vandals position spout out of sink with water running.
- **Heavy duty** gooseneck spout design (3/8" IPS Brass Pipe, 0.090" wall thickness) resists breakage of spouts.
- **Limited Swing Collar:** POLYPROPYLENE COLLAR is self-lubricating; swings easily without binding and with no slack movement.
(Supplied assembled with spout.)
